

Australia's
**BIGGEST
MORNING
TEA**

Wednesday 7 August

Dear Parents / Carers,

To coincide with our Open Education Week celebrations, Alford's Point Public School is holding "Australia's Biggest Morning Tea", one of Australia's largest annual fundraising events for the Cancer Council.

We would love all children to participate and hope that you can also attend on Wednesday 7 August at 10.45 am. Everyone is welcome! We simply ask everyone attending to bring a gold coin donation.

To help us make this year's morning tea successful for the Cancer Council, please bring a plate of treats to share. Just drop it in the hall before school on the day.

All money raised from our biggest morning tea will go to the Cancer Council enabling them to fund crucial research and treatment, implement education and prevention programs and provide essential support services for cancer patients and their families.

So come on everyone, let's join together on Wednesday 7 August to enjoy "Australia's Biggest Morning Tea". The kids will love all the delicious food and we'll all be supporting a very valuable cause in the process.
