### *A call out for Fete Volunteers*

The biannual Spring Fete is our major school fundraiser, with all proceeds going directly to benefit our student’s education. This year we are raising money for additional technology, particularly in-class devices, to enable our teachers to utilise their preferred applications to meet the evolving curriculum requirements.

The Spring Fete is organised and operated by school community members, and we are looking for volunteers to help with each class stall on the day, in addition to a number of preparation tasks.

If yourself, a family member or a friend is able to assist us, please complete the form below and return to the school. Alternatively, please email to: [alfordspointpandc@gmail.com](mailto:alfordspointpandc@gmail.com).
