1 April 2019

Dear Parents/Carers,

## 1-2L, 1-2M and 1-2PK BRING YOUR OWN DEVICE

We are looking forward to the starting of BYOD. The Stage 1 BYOD day this year is Wednesday. We would like students in Stage 1 to bring their devices to school for use on Wednesday 3 April 2019. In preparation for this, we would ask that you ensure you have returned your child's signed BYOD policy agreement and that your child's device has the following:

- A suitable cover for their device.
- A screen protector.
- Is clearly labelled with their full name.

We will also need parents to:

- Turn off the password function on the device.
- Ensure that all previous School Apps have been updated.
- Take a photo of their child and set it as the home screen and lock screen wallpaper.
- Ensure the device's battery is charged at night ready for use at school each Wednesday.

We also require the following free apps to be loaded onto your child's device prior to bringing to school on Wednesday.
