20 February 2023

Dear Parents/Carers,

NAPLAN

Students in Years 3 and 5 will be participating in NAPLAN from Wednesday 15 March to Monday 27 March 2023.

Each Thursday in weeks 5, 6 and 7, Alfords Point Public School will be conducting the practice tests for NAPLAN Online. These practice tests are being used to assess the school's capability to run the exam online and give students a sense of what will be involved. There will be no student results reported to the school or to parents.

As your child will be participating in the NAPLAN Online Practice Test, they are required to bring in a set of headphones. Please ensure your child's headphones are clearly labelled with your child's name. All headphones are to be brought to school by Thursday 23 February. The headphones will be stored in your child's classroom to be used during the NAPLAN Online Practice Test as well as the actual NAPLAN assessments. They will then be returned home after all of the assessments have concluded.

Thank you for your assistance.

Nyree Cameron
Assistant Principal
