Dear Parents/Carers

Walk Safely to School Breakfast

On Friday 19 May we are encouraging all students and parents to participate in Walk Safely to School Day. If you normally drive to school this is an opportunity to put on your joggers and walk to school with your children. Walking even part of the way would be terrific. This day is encouraging Road Safety as well as a healthy lifestyle. As a school we are supplying a healthy breakfast from 8.00 am until 9.00 am under the hall COLA.

There will be no PSSA training the morning of this event. We will need to cater for this breakfast so it is important to know how many children and parents will be at our breakfast.

Please complete the form below and send it back to school by Friday 12 May.

All children are welcome to sample our healthy breakfast when they arrive at school.

Thank you for your cooperation. We hope to see you at our breakfast.

Kindest regards

Carolyn Rider Classroom Teacher	Annette Wein Principal
