Dear Parents/Carers,

Alfords Point Public School: Garden Club

Your child has indicated that they would like to be part of the Alfords Point Public School Garden Club.

Under the supervision of Mrs McDonald, students participating in Garden Club will be involved in watering, weeding, pruning, planting and maintaining the school garden and some of the bush areas within the school grounds. Students participating will be required to provide their own pair of **gardening gloves** which are to be stored in their own school bag when not in use.

Garden Club is run during second half lunch, 2 days a week with students being rostered on to help in the garden on a rotational basis.

Students wishing to be involved in Garden Club require parental permission before participating.

Amy McDonald
Garden Club Co-ordinator

Annette Wein
Principal
